

DISABILITY, LIFE, AND AD&D BENEFITS

Salary Continuation Plan/ Short-Term Disability (STD)

The Salary Continuation Plan/Short-Term Disability (STD)* provides base pay if, due to medical necessity, you are absent from work due to illness, injury, pregnancy or childbirth.

DURATION	BENEFIT AMOUNT
Up to the first 8 weeks of absence	100% of employee salary
Up to 18 additional weeks	50% of employee salary

Your absence must be at least 14 consecutive calendar days to be eligible for salary continuation. If you expect your absence to be 14 days or longer, you must notify Prudential, Human Resources, and your manager. Prudential determines eligibility based upon medical criteria and certifies the period of medically justifiable absence.

** In states where the law is greater than our plan, the law supersedes (i.e., MA).*

STD Buy-Up Option

Salaried employees have the option to purchase additional coverage that would provide 50% of your base pay up to a maximum of \$3,000. This applies after you have exhausted your 8 weeks of absence paid at 100% of your salary. This buy-up option would then supplement 50% of your salary up to 18 additional weeks, with an additional 50% paid by Prudential. Please note that this buy-up option (if elected) would only remit benefits during pregnancy if there is a postpartum complication.

Rate Information

- Monthly Employee Cost Per \$10 of Weekly Benefit = \$0.470

NEW! DISABILITY, LIFE, AD&D VENDOR

Starting January 1, 2025, Prudential is replacing New York Life as APTIM's Disability, Life, and AD&D vendor.

After six months of absence	50% of employee salary
After six months of absence — buy-up option	60% of employee salary

The Company-paid benefit provides up to 50% of your base pay once you have been disabled for six months.

LTD Buy-Up Option

In addition, salaried employees have the option to purchase additional coverage to increase their overall LTD benefit to 60% of their base pay through employee-paid premiums.

Rate Information

- Contributions are based on your benefits base pay. Employee contribution rate = \$0.16 per \$100 of salary.

If you are electing Buy-up Options for the first time, Evidence of Insurability (EOI) will be required. You will be notified during your enrollment if an EOI will be required. Your coverage is pending until the EOI is completed and approved.

NEW!

CRITICAL ILLNESS, ACCIDENT AND HOSPITAL INDEMNITY INSURANCE VENDOR

Starting January 1, 2025, Prudential is replacing New York Life as APTIM’s Critical Illness, Accident, and Hospital Indemnity Insurance vendor.

VOLUNTARY BENEFITS

Regardless of the medical plan you choose, no plan covers all the costs of a serious illness or injury. If a major health event occurs, deductibles and coinsurance can add up to thousands of dollars.

Supplemental benefits allow you to greatly reduce this financial exposure. These plans pay a benefit directly to you, helping to ease the financial exposure that can have a big impact on you and your family. These voluntary benefits are portable, meaning you can take them with you if you change jobs or retire.

Critical Illness Insurance

Critical Illness Insurance provides financial protection for any covered individual or family member to supplement existing medical coverage and help with out-of-pocket expenses such as mortgage payments, college tuition, or treatments not covered by your medical plan.

You have the choice of \$10,000, \$20,000, or \$30,000 in Guaranteed Issue coverage. Coverage for your spouse/DP is 100%, and your children will be offered 50% of your employee benefit. See chart below for rates for \$10,000 in coverage.

Plan Features:

- Supplemental coverage for medical emergencies such as heart attack, stroke, cancer and more.
- Lump-sum benefit for covered employees and family members.
- Access to discounts or services through Prudential.
- No coordination with other insurance benefits.
- Eligibility for portability (subject to eligibility requirements and limitations).

Accident Insurance & Hospital Indemnity Insurance

Accident and Hospital Indemnity Insurance are excellent complements to your medical plan. Both plans help absorb the out-of-pocket medical expenses that arise when a severe illness or injury strikes. You can use the benefits received to offset costs like deductibles, coinsurance, prescription drug expenses and more.

Accident Insurance

Accidents happen. You can't always prevent them, but you can take steps to reduce the financial impact, which can be substantial. Accident Insurance can help cover the out-of-pocket medical expenses and extra bills that can follow an accident.

The total benefit you receive is based on the type of injury, its severity and the medical services you received in treatment and recovery.

The Plan pays benefits for a variety of injuries and accident-related expenses. Examples of covered injuries include:

- Fractures
- Dislocations
- Hospitalization
- Physical Therapy
- Emergency Room Treatment
- Transportation

Plan Features:

- Benefits are paid for accidents that occur on or off the job.
- You can elect to cover your enrolled spouse/DP and children.
- There are no health questions or physical exams required.
- Coverage is portable, which means you can take your policy with you if you change jobs or retire.

The policy or its provisions may vary or be unavailable in some states. The policy has exclusions and limitations that may affect any benefits payable.

Hospital Indemnity Insurance

Even with medical insurance, a hospital stay can cost you thousands of dollars in deductibles and coinsurance.

Hospital Indemnity Insurance pays a benefit directly to you if you or a covered family member receives hospital care. You receive a benefit for being admitted to the hospital and then for each day you're confined. Additional benefits are paid based on the type of services you receive. Emergency room services are also eligible.

Plan Features:

- Benefits are paid regardless of any other insurance you have.
- No physical exams are required to enroll for coverage.
- Coverage is available for your eligible spouse/DP and children.
- Premiums are paid through convenient payroll deductions.

The policy or its provisions may vary or be unavailable in some states. The policy has exclusions and limitations that may affect any benefits payable.

For questions or general services, call 1-800-475-6021; to file a claim, call 1-800-475-4042. Representatives are available Monday through Friday, from 7 a.m. to 7 p.m. CT.

The voluntary benefit coverages you elect during Benefits Open Enrollment will remain in effect until Dec. 31, 2025, as long as you remain eligible.
